Learning Cove 2021

Welcome back to the Learning Cove for another year of learning adventures! A warm welcome to the new families joining us in 2021. We are so happy to have you here. Students in the Learning Cove are not required to bring learning supplies to school but are more than welcome to bring a pencil case with them. Further information is below:

Communication Books:

Communication books are a requirement for all students in the Learning Cove. They need to come to school with your child each day as they will be used to communicate important information about your child's day, reminders, and special events. It is not necessary for you to write a reply each day however please acknowledge any notes with a signature and communicate any important information from home.

Textbooks:

Notes for textbooks went home in Term 4 2020 so thank you to everyone who has already ordered them. Our textbooks form part of our learning here at school so if you haven't ordered yet please do so as soon as possible. Please have your books shipped to the school. If you need a new note, see your child's teacher.

Sentral For Parents:

If you have not already downloaded the Sentral for parents app and connected with our school, please do so as soon as you are able. This app will allow you to keep up to date with the amazing things happening here at JPS.

Review and IEP Meetings:

Review meetings for Year 5 will happen early this year but will remain in Semester 2 for the rest of the Learning Cove. IEP meetings will happen once per semester.

Sweet Treats:

We all love a sweet treat every now and then however please keep these for home. Sweet treats are loved by everyone and can cause unnecessary issues in the classroom. Thank you so much for understanding.

ASTP:

If you are accessing the Assisted School Travel Program and know you are moving, please communicate this to the office so that a variation can be completed as it can take 10 days for a change to take effect.
