Important School Operations Update

Dear Parents and Carers,

Unfortunately, due to current circumstances the NSW Department of Education and NSW Health have updated the current guidelines for schools that will mean the following changes will be in place from tomorrow:

- **Absolute minimum staff on school site to meet the immediate needs of the school.** There will likely only be 3 staff members onsite in addition to our cleaners.
- **Parents must keep children - of all ages, across primary and secondary schooling and early childcare - home if they can.** Students will be supported to learn from home. Schools and early childhood education and care services, including Out Of School Hours Care services are open for any child that needs it.
- **Communicating with the school** – There may be delays in answering phone calls to the school. We highly encourage you to communicate with us through the school's email address. The children will also be able to ask questions on the online learning platforms (Google Classroom Years 3-6 and Learning Cove, Seesaw Kinder-Year 2).
- **Phone Calls to Parents** – Teachers will continue to check in with families and provide support and advice, as necessary. They will be using their phones, so when they call it will likely show 'No Caller Id'.
- **No Visitors allowed on school site.**
- **Printed Work** – If you need a printed copy of the work, please email the school and we will post this to you when possible. Where possible, please access the units of work through SENTRAL, the school website or our Facebook page to gain quicker access.

Please follow all public health orders in place and where possible remain at home as much as possible. We appreciate your support in helping to keep our community safe during this time. Stay safe and take care!

JASON CLARKE
Principal
