<p>Complete the activity on the slides connected to this article.</p> <p>Research</p> <p>An oyster is a mollusc. Research molluscs and complete a page of information in your slides, telling a friend what they are.</p> <p>Make sure it is in language a Year 5 or Year 6 student can understand and includes scientific information and other examples of molluscs. Please include a clear heading, creative setting out and pictures.</p>	<p>Today you are choosing a fiction book (at level 16 or above). If you know you are a great reader, then you will choose a higher level.</p> <p>First, read the whole book. Then complete the quiz or activity. Choose a page in the story that you enjoyed reading (one that you know you can read expressively), record yourself reading it and then listen to your recording. You may need to do this a couple of times until you are happy. Let someone else play your recording and record, in your slides, what they thought.</p>
