29 February 2021

Dear Parent/Caregiver,

As part of our Stage 2 reading program we will be using 'The School Magazines' in 2021.

## ***What is The School Magazine?***

It is Australia's most loved and longest-running literary magazine for children. For generations, it has been introducing young readers to a world of words.

The School Magazine has been published by the NSW Department of Education since 1916 and is currently part of the NSW Curriculum and Learning Innovation Centre within the Department of Education.

As part of the subscription cost your child will receive 10 colourful, glossy, monthly magazines which they will use at school and then be able to take home at the end of each month.

Please complete the tear off section and return it with your payment of \$14 via the school website (make a payment tab) or to the school office on a Tuesday or Friday. We would like all payments to be made by 12 February 2021.

Principal
